

Taylor

Mum shouting & swearing at me when with her Mum's temper.  
 Worried about getting in a fight on holidays  
 Worried won't see Sean & Ethan enough  
 Worried about seeing mum more  
 Not worried mum & dad fighting doesn't bother me  
 I find it amusing.

Enjoy bed  
 like watching TV.  
 Seeing Sean & Ethan  
 Enjoy spending time with dad,  
 enjoy working on cars & tractors with dad.  
 like living with dad  
 like my dog & animals.  
 like spending time with grandparents  
 Spending time outside with brothers  
 like dad bring us into town

Continue living with dad  
 See my brothers more  
 looking forwards to holidays  
 More overnight contact.  
 No more Social Worker  
 Better internet in the house  
 Spend time with Sean on his own  
 I would like mum if she was  
 nicer to me and bought me stuff.
